

**Please support the Jubilee Hall Lottery in 2020-  
our bonus ticket offer continues-so do our bumper  
prizes.**

**Last year we were keeping the damp  
out.**

**This year we are keeping the wall up!**

**It's one thing after another...the Jubilee Hall's north facing boundary wall is very old-even older than the Jubilee Hall itself-or so it is believed. It was therefore no great surprise when a surveyor pointed out that it had problems. These were confirmed when we commissioned a report by a structural engineer.**

**The safety of our users is always the paramount consideration for the Jubilee Hall Management Committee, so we have no option but to act. We are at the very early stages of a complicated project that could cost several thousand pounds to fix. We are not yet sure of the amount or if it will be covered by insurance. Whatever the outcome, the hall will not emerge financially unscathed. We have already had to meet the cost the Structural Engineer's report. We will keep you informed as the project develops via the Winsham E-Letter and the Winsham Community Facebook page.**

**Whatever the outcome, the Jubilee Hall needs to continue its fundraising activities. Your continued support of the Jubilee Hall Lottery is of great importance to us in keeping our beautiful hall in tiptop condition. Last year we broke a record by selling 259 tickets. Let's try to make it a few more in 2020. Details are overleaf, and an Application Form enclosed.**

**Yours sincerely**

**John Sullivan-Chairman  
Jubilee Hall Management Committee**
