

Our Community Shop is 21 Years Old! Buy Your Shares Now!

Thanks to a dedicated team of volunteers our village shop was saved from closure in 2002 to become the wonderful Community Shop we know and love today. Please help us to celebrate this fantastic achievement by buying a £10 share (or shares). If you purchase your share/s now, you can claim a FREE Winsham Shop bag worth £6.99. Existing shareholders can also benefit from this offer by buying another share.

Why become a Shareholder?

By becoming a shareholder, you are entitled to show your support and have a say in the future of your shop at our Annual General Meeting when we reflect on the past year and plan for the year to come. An additional benefit - the AGM is normally followed by an excellent party, which is a great opportunity for everyone – especially newcomers - to socialise with their fellow villagers.

Does your Shop Matter to you?

If the shop is important to you, please do whatever you can to support it, not only by becoming a shareholder but by volunteering your time or – we very much hope - just spending a few more pounds with us each week. We do not aim to make a profit but we *must* cover our costs. Without the continuing support of residents, our ever-increasing overheads mean there is no guarantee that we can break even in 2 years' time, let alone another 21 years!
