Hi All,

A busy time ahead. With all those plants purchased at the WHS plant sale and local garden centres, I expect many of us are trying to sort out our gardens-in between the rain showers and chilly winds and mornings.

This coming week we have the Annual Parish Meeting to look forward to. I hope that there will be a good turn-out. Apart from the free glass of wine and the nibbles, it is an opportunity to hear from village organisations and what they have been up to.

Winsham Parish Council who organise this event also account for their stewardship of our parish affairs. This is important, and may possibly become more so if Somerset becomes a unitary authority as is being discussed.

There is also an important presentation to be made!

On Thursday, Ruth, Bishop of Taunton is paying a visit to Winsham, and the details of her programme can be found in the link below-which includes a visit to the Winsham Shop, and the Jubilee Cafe.

Other highlights detailed in the E-letter is the WHS visit to Hestercombe-a lovely spot near Taunton which includes an Edwardian Garden designed by Lutyens and Gertrude Jekyll. Also, on the 24th May ,'The Bell' are running a 'Defibrillator Night', when you can learn to use this important piece of equipment, which, thanks to the cooperation of Terri and Tony, the former landlords, is located on the wall of 'The Bell' near the front entrance. An original excuse, if one is needed, as I have heard, for a visit our local hostelry, and also learn something about an important piece of equipment which can save lives.

Enjoy,
John
