

WINSHAM PRIMARY SCHOOL

This half term has been, and will be, as busy as ever with pupils continuing to work extremely hard in their lessons. We continue to use the library bus once a month which means pupils have more choices of books to encourage their love of reading. We have the fire service and police coming in to talk about fire and road safety. We also have an assembly at least once a month for members of the school community.

Please do look us up on the internet and you will be able to read any recent newsletters. As in previous years, we have raised money for the cancer charities by holding a coffee/tea afternoon and wearing pink. We also support Children in Need every year. Our fundraising this year is to raise enough money for new laptops as our old net books are fading rapidly. So ideas or suggestions for fundraising are gratefully received!

If anyone would like to volunteer at school or join our governing body please do let us know. You can contact Sarah Stringer (Head teacher) by calling 01460 30371 or by emailing sstringer@educ.somerset.gov.uk

Christmas at Winsham

We will be coming over to the Jubilee Hall on Thursday 15th December to sing some carols as part of our sponsored carol singing. We are trying to raise enough money to update our computers. Our Nativity Church Service with Pre-School will be on Friday 20th at 9:30am. Everyone is welcome. After the service, pupils will be wearing their Christmas jumpers for Christmas lunch and their Christmas party, which this year is being organised by KS1 as part of their topic work.

We hope you aren't too disappointed, we are not having a Christmas play this year but we intend to make up for it by having lots of lovely Christmas activities and a whole school performance at the end of the summer term.

Thank you again for all the support you give us. We hope you all have a very Happy Christmas.

SARAH STRINGER
